Welcome to YOOBAO

It's time to experience the difference in both quality of products and of life!

YOOBAO is proud to be a world leader in the manufacture of mobile component and accessories technology. We love what we do; and we do it differently!

We love the innovation of professional development and manufacture of technology to continuously enhance and improve the lives of the ever changing and evolving needs of YOU – the user!

What do we do? We bring you innovations compatible with the most globally recognized electronic brands and associated products.

What makes us different? We do what we do with YOU in mind – and it shows!

Expressing our passion to deliver on your requirements within a digital world; our products are similarly a passionate expression of quality, excellence and a desire to create a better tomorrow.

We have no doubt that our portable, powerful and functional range of power bank and internet accessories which extend to tablets, PDA, smart and feature phone platforms with an undeniable quality assurance will impress you.

What means more to us is the difference made in the lives of people from every walk of life and the empowerment of our children through education within this digital era.

In this fast paced, ever changing digitised world, we are revolutionising; continuing to evolve in order to give you greater freedom through superior and innovative technology.

We do this in a framework of working toward a better world and the enhancement of a greener earth for future generations.

YOOBAO means to fly as an eagle; or fly higher – this is proudly our vision and mission in all we do!

About Us

Established in 2007, YOOBAO (Pronounced 'YOU-BOW') is a world leader in the manufacture of mobile component and accessories technology. These innovations and professional developments extend to tablet, PDA, smart and feature phone platforms. YOOBAO boasts our manufacturing facilities located in Shenzhen, China that not only manufactures smart-phone products and accessories on an industrial scale, but is at the forefront of R&D and utilises the trade benefits of production in this technology hub.

Our main products include;

- Universal mobile chargers (Portable Power Banks)
- PDA batteries
- Extended batteries
- WiFi technologies
- Mobile in-car chargers
- AA/AAA rechargeable battery related products
- Natural leather cases (Smart phones and tablets)
- Screen protectors.

Our products are engineered and manufactured with premium materials, are of superior quality and conform to CE, ROHS and FC certification. YOOBAO products are designed with the end user - our clients in mind and are compatible with most globally recognised electronic brands and associated products. YOOBAO is committed to the pursuit of perfection through continued innovation; but most definitely in the creation of a better world for tomorrow by conscientiously adapting to the digital era we find ourselves in.

YOOBAO has an active sales and distribution presence in Southeast Asia, the Middle East, America, England, Italy and now exclusively in Africa under license to AZIZE HOLDINGS (PTY) Ltd.

The YOOBAO Power bank range of products is PORTABLE, POWERFUL, PURPOSEFUL, PERSONAL AND PROFFESSIONAL!

Our universal portable chargers are cross-device compatible and proven for charging most smart phones, feature phones, tablets and an array of other electronic devices providing power and charging capabilities "on the fly".

Finally, the frustration of squeezing that last bit of power from your mobile device is no longer a concern and neither do you have to make up any more excuses for your phone battery dying and not being able to respond to that important e-mail or call you have been waiting for!

YOOBAO power banks are especially designed for the user, considering the heavy demand from your versatile digital mobile devices. Charging most 5V devices via a USB to micro cable and smart adaptors, these portable power banks provide great functionality with ease of use and stylish designs.

YOOBAO portable chargers and power banks ensure that you are able to enjoy your digital experience; anytime and anywhere free from the worry of power limitation.

Whether for business, travel or play and the most desired brand available - recharge your lifestyle with YOOBAO power banks!
